Expansive sliding glass doors create a seamless flow between indoors and out, inviting you to enjoy the beauty of the surroundings from the comfort of your home or the tranquility of your private patio.

The gourmet kitchen, part of Lennar's™ Designer Select package, serves as the heart of the home. A chef's™ delight, it features quartz countertops, a massive center island with pendant lighting, seating, sink and built-in

microwave. A gas cooktop, double wall oven and stainless-steel appliances complete this spacious bright kitchen. The adjacent dining area and spacious living room with vaulted ceiling, recessed lighting, and sliding glass doors make entertaining effortless.

The entry-level primary suite offers a peaceful retreat with a tray ceiling, recessed lighting, walk-in closets, and expansive golf course and water views. Its spa-inspired en suite bath features a dual vanity and a tiled double-wide shower. A convenient half bath rounds out the main level.

Upstairs, you will find brand-new high-end Berber carpeting and a bright loft area ideal for a lounge or media space. A second primary suite includes an attached bath, walk-in closet, solar blocking shades and serene water views. Two additional bedrooms share a full hall bath, one of which was a builder upgrade, featuring a walk-in closet with window for added light and charm.

Step outside to your private extended paver patio, which spans the entire rear of the home, a rare upgrade now unavailable in the community due to new setback restrictions. Designed for effortless indoor-outdoor living, this expansive space flows seamlessly from the main living area and provides the perfect setting for al fresco dining, morning coffee, or evening relaxation surrounded by panoramic golf course and pond views. With no grass to mow, it's a low-maintenance retreat where every day feels like a getaway.

This home is enhanced with over \$40,000 in thoughtful owner upgrades that elevate both comfort and convenience. The garage features an epoxy-finished floor with a loft-style storage shelf, while ceiling fans have been added throughout the home, including the back

porch.

Modern smart home technology enhances everyday living, featuring an Eero Mesh Wi-Fi system, Ring Doorbell, and Moen Smart Water Monitor for seamless connectivity and peace of mind. Four flat-screen TVs are included, and the HVAC system offers seasonally adjustable airflow for optimal comfort year-round. Both the HVAC and structural warranties remain valid for years to come, providing added value and confidence in your investment.
