BACKUP OFFERS WELCOMED. REAL UPSIDE. 1970's mid-century modern Deck House on Coster Cove includes many original design features, post-and-beam construction, large expanses of glass, an open floor plan, and beautiful mahogany trim with cedar tongue-and-groove ceilings. There are two solid masonry fireplaces. This protected cove just off of the Patuxent River is a favorite for boaters, and having a large in-ground pool completes the package. The improvements are sold AS IS with some challenges disclosed, and the waterfront package is priced accordingly. Newer septic system 2020, pool pump 2023, roof 2016, kitchen 2016, water depth is 4' in the cove. There is an underground storage tank for oil furnace. The matching outbuilding is very special, might make you think about a pool house or studio space! Just 75 minutes from Capitol Hill, this could be the one!
