Welcome to this Hampton model by Quality Built Homes, completed in 2019 and thoughtfully designed with nearly 6,000 square feet of finished living space. Perfectly positioned on 1.4 acres in Waldorf's Turtle Creek, this residence blends elegance, comfort, and functionality.

A dramatic two-story family room with floor-to-ceiling windows and a gas fireplace sets the tone for the main level. The gourmet kitchen is a true centerpiece—featuring granite counters, a large center island, Energy Star GE appliances including double wall ovens and gas cooktop, wine/beverage fridge, and custom tile backsplash. A formal dining room, versatile study/extra bedroom, and hardwood flooring throughout the main living areas elevate the sense of style.

Retreat upstairs to a spacious primary suite with a sitting area, custom shelved walk-in closet, and a spa-inspired en-suite bath offering an oversized shower and soaking tub. Three additional bedrooms, full bath, and an upper-level laundry room complete the private wing.

The finished walkout basement extends the living space with another full bath, custom bar area, and direct access to the back yard is ideal for entertaining or multi-generational

living. Step outside to your private, tree-lined backyard with a large deck off the main living area, storage shed and bonus child's play area.

Additional highlights include a 2.5 car side-entry garage, Energy Star systems, and quality finishes throughout. With its refined details and generous spaces, this home offers the perfect balance of luxury and everyday livability.
