Where Architecture Meets Art.

Step into 15005 Running Park Ct and experience a residence that redefines what “move-in ready” means – a five-bedroom, 3.5-bath masterpiece blending flawless upgrades with timeless details meticulously cared for by its original owners. This is not just a home. It is a statement of design, heritage, and precision.

Inside, gleaming hardwood floors flow across wide, sun-filled living spaces framed by floor-to-ceiling windows. Original elements, carefully preserved and maintained, lend a subtle rustic elegance that grounds the home in authenticity while complementing its modern refinements. Recessed lighting, designer fixtures, and a gas fireplace wired for surround sound elevate every space, creating the perfect blend of warmth and sophistication.

The kitchen is a showpiece of function and style, with quartz countertops, maple cabinetry, porcelain tile flooring, and a large pantry. Every finish and fixture has been chosen for beauty, durability, and timeless appeal.

Upstairs, four expansive bedrooms and two full baths offer quiet retreats. The primary suite is a sanctuary of light and refinement, while secondary bedrooms adapt effortlessly to private living, office space, or creative pursuits.

Every detail – from fixture placement to light flow – was chosen with care, reflecting the same attention seen throughout the home.

The lower level extends both luxury and flexibility. A fifth bedroom with connecting full bath creates the perfect guest or in-law suite. A spacious recreation area invites gatherings, play, or entertainment, while one-third of the basement remains unfinished – a rare chance to add your own custom touch, whether a gym, theater, or studio. With a built-in dehumidifier tied to the sump pump, the environment stays pristine and ready for use.

Outdoor living here is a masterpiece in itself. The screened-in sunroom and covered porch, each with ceiling fans, expand the home's living space into the open air. Beyond, the grounds reflect immense thought and planning: a fully fenced backyard with French drains, irrigation system, and skillfully placed gates, all paired with gardens and landscaping designed for both beauty and function. Every element – from placement of exits to water flow management – was executed with precision.

Nestled in a peaceful cul-de-sac yet minutes from parks, schools, shopping, and commuter routes, the property balances seclusion with convenience.

Homes of this caliber – original ownership, custom outdoor design, meticulous maintenance, and modern luxury – rarely reach the open market. 15005 Running Park Ct is the rare property that feels almost too good to be true. Schedule your private showing before it's gone.
